OUR FOOD AND NUTRITION PROGRAMS

foodiE (Middle School)

foodiE is Sodexo's new middle school dining program. Today's middle schoolers understand food more so than ever before. Trending flavor profiles, convenient meals, sustainable alternatives and healthy options – *served fast* – are just a few expectations that top the list. foodiE creates a space where students can **enjoy, engage, and explore**.

TASTE4 (High School)

Taste4 was created for high schools' students by high school students. This concept revamps the classics - salads and wraps, deli sandwiches, pasta, grilled favorites, and pizza, elevating school lunch for today's sophisticated palettes.
